

As we enter the months of May and June, we are reminded of the changing seasons and the many opportunities for growth and renewal that lie ahead. **As the PG&E Supplier Responsibility Team, we are here to support you in achieving your learning goals with new courses and networking events.** We are filled with optimism and excitement as our learning platform added many new members in the last few months. **We thank you for your active participation, and continued support in building this community together.**

In this edition of our newsletter, we are thrilled to share **two new courses**, and one is already live on the platform. You will also find information on the upcoming virtual meetups, exclusively open to our member community. We can't wait to share the details with you, so let's dive in!

New Course Announcement

[Leveraging PG&E's Supplier Code of Conduct for Operational Success](#) is live! Deepen your understanding of PG&E's expectations from its suppliers with this new course on [PG&E's Supplier Code of Conduct](#). Understanding this code helps you demonstrate your commitment to ethical and sustainable business practices, even if you are not a supplier to PG&E.

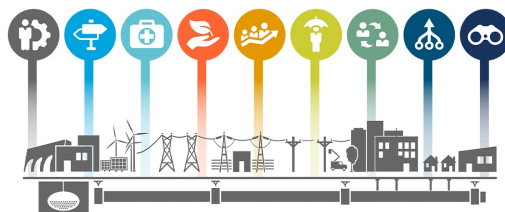

Complying with the code can help you avoid legal and reputational risks that could negatively impact your business with any company you work with. [Enroll today!](#)
